EXPERIENCE

2025 - Present

- Twinkle English Academy (1st - 4th Grade ELA literacy)
 - Designed and delivered creative and academic writing instruction through structured literacy lessons
 - Developed project-based learning experiences that promoted engagement and literary analysis
 - Fostered trust and consistent communication between parents

2024 - 2025

- PEA-I Academy (7th-9th grade Debate, Novel, and Writing): Seocho, Seoul
 - Designed engaging lessons using inquiry as the primary discussion tool
 - Led creative project based learning experiences that promoted creativity, critical thinking, and media literacy

2023 - 2024

- Coram Deo English Education (K - 9th Grade): Gangil-dong, Seoul
 - Developed strong relationships and collaboration with administrators and management
 - Contributed to curriculum development
 - Learned important project-based learning routines

2019 - 2023

- JLS Academy (K - 9th Grade): Sejong, South Korea
 - Developed foundational skills like classroom management, engaging content delivery, and student rapport

My Philosophy

Meaningfulness is key.

I consider the most important part of helping students develop is through meaningful and accessible lessons. **Clear structure, stable environments, routinely pleasant class room experiences, and fun projects** all contribute towards leading the classes I enjoy.

I believe delivering content with enthusiasm, curiosity, and inquiry make classes memorable.

Skills

- Classroom Engagement
- Close Reading Instruction
- Project-based Learning
- Literacy Development
- Academic Writing
- Creative Writing
- Inquiry-based Discussion
